**TAREA 1 MONÓLOGO: CULTURAL DIVERSITY**

You are going to talk about cultural diversity and its impact on society.

- Do you believe that exposure to different cultures enriches our understanding of the world? Why or why not?
- What are some potential challenges and benefits of living in a culturally diverse community?
- Do you think that globalization is leading to a loss of cultural identity among various societies?

These images are here to help you but you don't need to interpret them or use them to accomplish this task.

**TAREA 1 MONÓLOGO: TECHNOLOGY**

You are going to talk about the impact of technology on different aspects of society

- Do you believe that technology is isolating people from real-life interactions and reducing face-to-face communication?
- Is the integration of technology into education systems improving or hindering students' learning experiences?
- Is there a need for more regulation and oversight on social media platforms due to issues like fake news and privacy concerns?

These images are here to help you but you don't need to interpret them or use them to accomplish this task.
